Mrs. Effa Manley,
55 Somerset Street,
Newark, N. J.

Dear Mrs. Manley:

I have taken up the matter which we discussed with regard to the use of the ball park at Norfolk with our representative, Mr. Dawson. He informed me that he had learned, through your office, that you desired the park during the early part of May. At the present time he is undecided when they will start playing night baseball in Norfolk. However, if they decide to play before the date you request there will be no objections to your renting the ball park.

As stated, negotiations were being carried on through your office direct, and therefore I presume it will be unnecessary for me to contact him further.

Very truly yours,

Ray Kennedy.
